

**TUNISIAN REPUBLIC  
MINISTRY OF HIGHER EDUCATION  
AND SCIENTIFIC RESEARCH  
TUNIS SCIENCE CITY**

**INTERNATIONAL CALL FOR TENDER N° 012/2022**

**(TUNEPS Ref: 20220900428-00)**

**Acquisition and setting up of a digital projection system for the Tunis Science City's  
Tataouine Branch**

The Tunis Science City, a non-administrative public establishment, has just launched the present international call for tender, via TUNEPS, to acquire and set up a digital projection system for the Tunis Science City's Tataouine Branch in accordance with the provisions of the specifications book.

The suppliers interested by this international call for tender, and subscribed on TUNEPS, may freely download the international call for tenders' file online via the national acquisition online system TUNEPS: [www.tuneps.tn](http://www.tuneps.tn)

The offers must necessarily be sent using the national acquisition online system TUNEPS, however, due to technical reasons; a temporary surety bond will be placed in a sealed envelope bearing the following statement:

**DO NOT OPEN**

**“INTERNATIONAL CALL FOR TENDER N°012/2022**

**Acquisition and setting up of a digital projection system for the Tunis Science City's  
Tataouine Branch”**

This envelope has to be sent by registered post, by rapid post, or furnished directly to the central registry office of the Tunis Science City, against receipt (the central registry office of the Tunis Science City's stamp as proof), at the following address:

**Tunis Science City  
Tunis Science City Street – PC 1082 Tunis, Tunisia**

- **Temporary surety bond** with an amount of 2300 TD. (It shall remain valid during a minimal duration of (120) days starting from the day following the fixed deadline for receipt of tenders).
- **The deadline for receipt of tenders:** The deadline for receipt of tenders is fixed for the **27<sup>th</sup> of October 2022 at 10.00 am**. All the offers arriving after the deadline will be rejected.
- **Date for the bids opening:** Tenders shall be opened in public. The opening of the bids will take place on the **27<sup>th</sup> of October, 2022, at 11.00 am**, in the Tunis Science City's general direction meeting room
- **Validity of tenders:** Tenderers shall stay committed to the offers during one hundred and twenty (120) days starting from the day following the deadline for receipt of tenders.
