INTERNATIONAL CALL FOR TENDER N°02/2021

(Ref TUNEPS 20210400618-00)

Acquisition and setting up of a digital projection system of 6 meters diameter for the planetarium of the Tunis Science City

The Tunis Science City, a non-administrative public establishment, has just launched the present international call for tender, via TUNEPS, to acquire and to set up a digital projection system of 6 meters diameter for the planetarium of the Tunis Science City, in accordance with the specifications.

The suppliers interested by this international call for tender, and subscribed on TUNEPS, may freely download online the international call for tenders' file via the national acquisition online system TUNEPS. The offers must necessarily be sent through the national acquisition online system "TUNEPS", however, due to technical reasons; a temporary surety bond will be placed in a sealed envelope bearing the following statement:

DO NOT OPEN

“INTERNATIONAL CALL FOR TENDER N°02/2021

Acquisition and setting up of a digital projection system of 6 meters diameter for the planetarium of the Tunis Science City”

This envelope has to be sent by registered post, by rapid post, or furnished directly to the central registry office of the Tunis Science City, against receipt, (postmark of the registry office of the Tunis Science City will be considered proof), at the following address:

**Tunis Science City
Tunis Science City Street – PC 1082 Tunis, Tunisia**

- **Temporary surety bond:** the amount of the temporary surety bond is 2500TD.
- It shall be available during a minimal duration of (120) days starting from the day following the deadline for receiving the tenders.
- **The deadline for receipt of tenders:** The deadline for receipt of tenders is fixed for the **3rd of June 2021, at 11.00am**. All the offers coming after the deadline will be rejected.
- **Date for the bids opening:** Tenders shall be opened in public. The opening of the bids will take place on the **3rd of June 2021, at 2.00 pm** in the Tunis Science City's general direction meeting room located within the Tunis Science City's premises.
- **The validity of tenders:** Tenderers shall stay committed to the offers during one hundred and twenty (120) days starting from the day following the deadline for receipt of tenders.
