

Programme of the Scientific Workshops From the 22nd to the 26th of November, 2023

Wednesday, November 22nd, 2023

Universe Pavilion

- Exoplanets (11.00 am) - Large Public
- Astronomical Phenomena (3.00 pm) - Large Public

Explora Pavilion

- Probability (11.30 am) - 7th, 8th, and 9th levels of basic school education
- Flight simulation (3.00 pm) - 7th, 8th, and 9th levels of basic school education and secondary school
- Geometrical forms (3.00 pm) - 7th, 8th, and 9th levels of basic school education

Life and Man on Earth Pavilion

- The heart: a tireless pump (10.30 am) - Primary school (6 to 12 years old)
- Human nutrition (3.30 pm) - Primary school

Temporary exhibitions Pavilion

- Muscles (2.30 pm) - Large public

Thursday, November 23rd, 2023

Universe Pavilion

- Moon phases (11.00 am) - Large Public
- The International Space Station ISS (3.00 pm) - Large Public

Explora Pavilion

- Funny chemistry (11.30 pm) - Large Public
- The skeleton (3.30 pm) - Primary school

Life and Man on Earth Pavilion

- Waste water treatment (10.30 am) - Large Public
- Cetaceans (3.30 pm) - 7th, 8th, and 9th levels of basic school education

Temporary exhibitions Pavilion

- Mathematics (11.30 am) - 7th, 8th, and 9th levels of basic school education
- Renewable energies (2.30 pm) - 7th, 8th, and 9th levels of basic school education

Friday, November 24th, 2023

Universe Pavilion

- The sky map (11.00 am) - Large Public
- The Earth atmosphere (3.00 pm) - Large Public

Explora Pavilion

- Heron's fountain (11.30 am) - 7th, 8th, and 9th levels of basic school education
- Surface area calculations (3.30 pm) - 7th, 8th, and 9th levels of basic school education

Life and Man on Earth Pavilion

- Geological clock (10.30 am) - Large Public
- Rocks (3.30 pm) - 7th, 8th, and 9th levels of basic school education
- Guided visit to the arboretum (2.30 pm) - Large Public

Temporary exhibitions Pavilion

- Renewable energies (11.30 am) - 7th, 8th, and 9th levels of basic school education
- Mathematics (2.30 pm) - 7th, 8th, and 9th levels of basic school education

Saturday, November 25th, 2023

Universe Pavilion

- Observation of the Sun (12.00 pm) - Large Public
- Astronomy evening: comets (6.00 pm) - Large Public

Explora Pavilion

- Chemical bonds (11.30 pm) - Secondary school
- Pressure and emptiness (3.30 pm) - Large public

Life and Man on Earth Pavilion

- Eye dissection (10.30 am) - 7th, 8th, and 9th levels of basic school education

Temporary exhibitions Pavilion

- Muscles (12.30 pm) - Large public

Sunday, November 26th, 2023

Universe Pavilion

- The Solar System (11.00 am) - Large public

Explora Pavilion

- Optics and light (12.30 pm) - 7th, 8th, and 9th levels of basic school education
- Folioscope (11.30 am) - Primary school

Life and Man on Earth Pavilion

- Recycling (10.30 am) - Large public
